

Fire & Police Committee
Public Works Committee
October 27, 2016

Present: Andersen, Phillips, Buchanan, Brubakken, Mayhew, Sad, Reuther, Klundt, Liebig, Sveum, Wollan and Fuchs. Absent: Gumke.

Tom Tracy, 818 17th St NE, appeared to express his concerns regarding the use of local resources of the County Sherriff's Department and City Police Department at the Dakota Access Pipeline protest site(s).

An application for appointment to the Fire Code Board of Appeals has been received from Scott Roemmich and will be placed on the November 7, 2016, City Council agenda.

Updated information from AE2S regarding progress and web-site preliminary information on the Stormwater Utility Feasibility Study was presented to the committee for committee member review.

Darrell Hournbuckle, Interstate Engineering, Inc., provided information as a result of a meeting with adjacent property owners relative to opening 2nd Avenue SE, south of 19th Street SE, which is located south of the Frontier Fort.

Buchanan moved to recommend the City Council deny the request for the City to open 2nd Avenue SE, south of 19th Street SE. Seconded by Phillips. Unanimous aye vote. Carried.

Information was provided to the committee members relative to one of the city residential rear load trucks being out of service due to a structural failure of the rear load packer body. The Sanitation Department has worked out a revised fleet schedule in an attempt to continue service by using a combination of an older back-up unit and a commercial rear-loader unit to avoid the need to purchase a new unit while the City moves toward automated pick-up in 2017.
